

Application form

This minor sponsorship application form is for requests seeking \$10 000 or less (exc GST) in sponsorship.

If you are seeking either cash or in-kind funding of \$10,001 or more from the Queensland Government, please complete the major sponsorship application form.

Sponsorship provided by the Queensland Government is designed to provide funding for events and initiatives that enhance government strategic objectives of:

- creating jobs in a strong economy
- giving all our children a great start
- keeping Queenslanders healthy
- keeping communities safe
- protecting the Great Barrier Reef
- being a responsive government.

Sponsorship involves a negotiated exchange and results in tangible, material and mutual benefit between parties.

Sponsorship can be provided to businesses, companies, incorporated associations, not for profit groups, local councils and registered associations. Sponsorship cannot be provided to individuals.

You are encouraged to apply for sponsorship via the process outlined below. Sponsorship requests can be made at any time. For requests of \$10 000 or less, a minimum of four months prior to the event is preferred.

If you are successful in receiving sponsorship funding, you will be required to enter into a sponsorship agreement with the Queensland Government and fulfil any milestones and deliverables outlined.

Funding support Events and initiatives must not be reliant on Queensland Government sponsorship. Sponsorship from the Queensland Government is provided on a one-off basis and should not be relied on for continuity of your event.

Sponsorship funding will be distributed in accordance with the Queensland Government [sponsorship policy](#). Achievement of milestones as agreed in the sponsorship agreement, will need to be met before payment can be made. Should these milestones not be met by the specified date or level, the Queensland Government reserves the right to revoke or amend the offer of sponsorship funding.

The level of assistance is limited by government's budget and its priorities. No applicant can be guaranteed funding nor can any applicant be guaranteed to receive the full amount requested.

The decision on sponsorship funding applications is final.

Other funding opportunities provided by the Queensland Government are detailed [here](#).

Selection criteria Applications will be evaluated and rated against the following criteria:

- economic benefits provided by the event/initiative
- alignment with current government objectives
- leveraging opportunities for government

- organisational capability to successfully deliver the event /initiative.

Priority will be given to those applications which do not fit within a suitable funding program.

Assessment process

Applications will be assessed for their strategic merit and alignment to the selection criteria and objectives of government. Consideration will also be given to local needs, emerging issues, and alternate sources of funding.

When submitting your application, you must disclose all matters that may affect the Queensland Government's decision to assess the application.

Application process

Applications will only be accepted online via this application form. To be eligible you must submit the following:

- 1.A valid ABN (if applicable).
- 2.Complete responses to all application questions. The application form can be saved to complete at a later time. We recommend allowing plenty of time to compile comprehensive answers with supporting documentation.
- 3.Initiative details.
- 4.Comprehensive budget information.
- 5.Marketing and communications strategy.
- 6.Key timelines.
- 7.Additional support material if applicable.
- 8.The online application form must be completed by a person authorised to submit an application on behalf of the organisation. The person submitting this form will be asked to declare this and agree to the program terms and conditions on behalf of the organisation.

Applications will be acknowledged via email receipt. Once submitted, your application will be forwarded to the most appropriate department/agency for assessment and direct reply.

You might be asked to provide additional information to support your application such as a detailed budget and marketing and communications plan.

It may take up to four months to receive a response to your application.

My initiative is not in Queensland, can I apply? The initiative must have tangible benefits to the people of Queensland. Therefore, should the initiative be held outside Queensland, tangible benefits will need to be realised for the people of Queensland.
